888K CASE WIN!

We recently secured an \$887,500 settlement for a client injured in a motorcycle accident due to the defendant's negligence. Attorneys John Yannone, Arren Waldrep, and Justin Turner fought hard to convince the defendant's insurance company to compensate the client for severe injuries. Great win!

CLIENT APPRECIATION

We're grateful to everyone who attended our recent client appreciation event - a happy hour with our Virginia legal team and satisfied clients. It was great to see familiar faces and celebrate our successful case outcomes.
