## CLIENT VICTORIES

### Family in Collision While on Vacation Wins \$183,000 Settlement

A family of three was involved in a rear-end motor vehicle collision while visiting Virginia. We helped the family, from Wisconsin, navigate the Virginia process for motor vehicle collisions, successfully obtaining the maximum recovery from the at-fault driver's insurance and securing additional compensation from their own insurance.

At Price Benowitz our work is guided by three core values—Passion, Integrity, and Excellence. These principles shape how we serve our clients, support our community, and uphold the highest standards in the legal profession.

## PRICE BENOWITZ IN THE MEDIA

Our first-ever Tailgating with Ted event was an incredible kickoff event! Price Benowitz was thrilled to sponsor a morning filled with great food, live music, and unforgettable moments with the Washington Commanders community. Beyond the fun, this event also carried a greater purpose. Each season, Ted donates the proceeds raised to a designated charity, in support of causes that change lives. This year's beneficiary was Blood Cancer United, following last season's success of raising \$29,000 for lung cancer research.

At Price Benowitz we believe in more than just legal advocacy, we believe in standing with our community. Supporting Tailgating with Ted is a reflection of what we represent: bringing people together, celebrating local traditions and making a positive impact where it matters most. We're already looking forward to the next one!
